

End of Life Care for People with Dementia

Facilitator:
Jane Chatterjee
Lecturer in Palliative Care
St Gemma's Hospice

International and national guidelines and best practice examples for supporting the end of life care needs of people with dementia will be explored.

Topics will include:

- the experience of living and dying with dementia
- assessment of pain and distress
- end of life decision-making
- care at the end of life
- supporting family/carers
- bereavement.

Target Audience:

Healthcare professionals working with patients with dementia and end of life care needs.

Date: Friday, 11 October 2019

Time: 09.30am to 16.30pm (Coffee / registration from 09.00am)

Cost: £60 per person (to include refreshments and lunch)

Venue: Academic Unit of Palliative Care
